Sample comments:

Which aspects of the course were most valuable?
- When the instructor went over every problem thoroughly. Games were very fun.
- He always tried to help us if we struggled with the subject matter. He tried to hear and listen to what we can’t do.
- Linking game theory to real life. Thinking about your own and other’s payoffs and why people choose certain things. All material covered had value.
- The games and explanations really helped to relate the theories to the real world. Explanations were really clear and the instructor made every effort to ensure that everyone understood the materials.
- All.
- Great instructor. Any information that teacher taught was detailedly [sic] explained, very clear. Fun class.
