Supporting UHERO

*Ku lia i ka nu‘u* (literally “Strive for the summit”) is the value of achievement, those who pursue personal excellence. This was the motto of Hawai‘i’s Queen Kapi‘olani. Your support of UHERO allows us to continually reach for excellence as the premier organization dedicated to economic research relevant to Hawaii and the Asia Pacific region.

UHERO's research, community outreach, and education activities represent a prime example of a successful public/private partnership. More than half of UHERO's funding comes from private contributions, grants and contracts. This private funding makes it possible for UHERO to actively engage the Hawaii community and inform stakeholders about the important tradeoffs facing Hawaii’s Economy, Environment and its People. Contributions directly support UHERO’s free online economic data portal, forecast model development, student training, distribution of forecast summaries to the general public, and our regular contributions to the discussion of crucial topics facing Hawaii in the media and via UHERO's blog.

There are two ways you can support UHERO:
1) Direct contribution to the UHERO via the [University of Hawaii Foundation](mailto:UHERO@hawaii.edu).
2) UHERO sponsorships. UHERO sponsors receive a variety of benefits, ranging from the most current Hawaii forecast reports to personalized presentations and consultations with your firm.

**Sponsorship Levels**

All sponsors receive the full schedule of UHERO forecast reports, extended five-year forecasts; Excel version of tables; the opportunity to schedule an in-house seminar; and recognition on UHERO's website. Kilohana level sponsors and above receive additional benefits.
